

Scott Haile & Company is pleased to provide our clients with our exclusive employer portal system, an intuitive HR web portal that delivers the tools to streamline daily activities. Customizable to your needs and preferences, Scott Haile & Company's employer portal offers you the following flexible features and benefits.

Employer Portal System

Compliance

Looking for quick answers to tough legislative questions? Your compliance section will have the answers you're searching for. You will be directly linked to an exclusive set of comprehensive guides full of federal legislation. Complete guides include COBRA, HIPAA, HIPAA Privacy, Section 125, and FMLA. Within each guide, sections include Related Articles, Q&A, Forms, and Quick Reference. A search function is also available to help you easily source information by allowing you to browse all or only particular sections within each guide.

Documents on Command

When you need to resource information fast, the Documents on Command section provides instant access to a library of downloadable articles covering a variety of topics — exactly when you need them! Articles are conveniently grouped by general category and include: Benchmark Surveys & Statistics, Compliance & Plan Designs, and Employee Communication & Education — to help you easily locate all the resources available to you. Or, use its keyword search function to find related documents.

Resources

Scott Haile & Companies employer portal resources provides useful links and articles to industry-related Web sites — all through the convenience of your employer portal

homepage. In addition, use the helpful search function so you can promptly find all the information you are looking for, as well as any related documents from the Documents on Command section. And if you still cannot find exactly what you need, use the convenient, “contact your broker representative” help link. So many helpful resources – all at your fingertips.

HealthShop

Want consumer health-related articles in professional looking newsletters to give to your employees in a snap? No problem! Scott Haile & Company supplies you with *HealthShop* –comprehensive, consumer information, in ready-to-print newsletters. Topics include: *At the Doctor’s Office*, *At the Pharmacy*, *Home Care*, and *Your Health*. Use these newsletters to help your employees make smart and informed healthcare

Benefit Plan Information

Want to be able to see the different plan types that your company chose for the year? Your employer portal can easily provide you with this wealth of information.

Once you select a plan type, the current related policies would automatically appear, allowing you to view each plan’s basic information. If you select a specific plan type such as dental, you will be able to see that plan broken down by plan type, year, and name, as well as policy number, and issuing carrier.

You can drill-down and see even more detailed information by selecting the Benefits tab – displaying your companies current plan design.

Another great benefit is that the system holds plans that are currently in place, in addition to prior plans, allowing you to compare plan information from year to year.
